OBJECTIVE OF YUVASAMITHI

- ▶ To mold a mass responsible group of youth those who having a clear environmental awareness with scientific knowledge and an empathetical approach towards marginalized people
- ▶ To make Kerala a place where there is, No gender discriminations and inequality, and scientific knowledge is a common sense among the people.

HOW TO ATTAIN THE GOALS?

- ▶ To use knowledge as a tool for social transformation
- ▶ Ensuring the of sustainable usage of natural resources.
- ▶ Alleviate gender discrimination through practical interference in the society.
- ▶ Ensure scientific tember and strengthen democratic and secular values

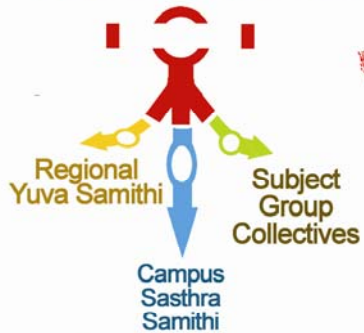

Nature of Work

- ▶ The long term availability, proper usage and ecological balance of natural resources, to preserve it for the future generations to come.
- ▶ To remove all the inequality and gender discriminations that is existing in Kerala.
- ▶ Approach towards removal of socio economic backwardness of Scheduled caste, tribal and fishermen community.
- ▶ Strengthening the agricultural and small scale industries in order to create a sustainable production system.
- ▶ To make people analyze their lifestyle and their surroundings with scientific and rational thinking.
- ▶ To work towards the betterment of public service centers like Govt. Schools, Anganawadi's, health centers which are already a backbone of social achievements in Kerala.
- ▶ To create a strong political and social youth generation those who can achieve the diverse objectives of Yuva Samithi

How to unite these diverse programs?

STATE CORE GROUP

15 members core team is working at the state level. Besides that Yuva Samithi conveners are working in each district too.

The State implementation team includes above the mentioned members.

Regional Yuva Samithi

There are core committees at the district level. Each core committees should be able to take up their independent activities. Diversified programs and learning events shall be planned in District and zonal levels. Training and academic back up for the same will be given.

Subject Group collectives

Subject based group collectives are to be organized. Medical students, forum, Engineering student forum, journalism students, Research scholars, Science-literary camps, film camps etc. also need to be organized. Each district is interlinked with this.

Campus Sasthra Samithi

Activities based on production and Exchange of Knowledge
An inclusive approach is taken by including the other campus collectives. Yuvasamithi need to be active in areas like Students Organisations, Campus nature club/ eco club, Film clubs/ Theatre groups, Open Debate Forum, Information Technology etc. Students with different talent and skills need to be involved in such activities.
